FAQs

#	Date	Topic	Information	Resolution
1	7/22/2015	Dearborn Inn Registrations	Some people have reported difficulties in securing additional room nights (before/after January 28-30) at the Dearborn Inn.	Dearborn Inn has extended a limited number of rooms to our program for people who wish to stay additional days. This includes Sunday (1/31), Monday (2/1) and Tuesday (2/2).
2	7/21/2015	Friday Schedule Change	The MTFCI Board has expressed a desire to move its Board of Directors meeting from Friday afternoon to Friday evening so they may participate in the Edsel & Eleanor "Ford House" optional tour.	This change is now being implemented through Ross Lilleker. Will announce here the revised time/location for the MTFCI Board Meeting.
3	7/22/2015	Dearborn Inn Online Registration	I learned that individuals have tried to use the Dearborn Inn online room reservation tool and the "MTFCI" code did not work properly.	It is suggested that you call the Dearborn Inn to secure your room reservation at (313) 271-2700 and use MTFCI as the reference code. If you use the Dearborn Inn website to make your reservation, the online code for our event is "MTFMFTA".
4	7/28/2015	Please READ! Optional Ford House Tour	If you want to attend the optional Ford House Tour on Friday afternoon, please be sure to add \$30 for each person attending this tour. The fly sheet in the Model T Times did not include a line to add this fee. The form on this website does include this line.	Add \$30 per attendee who will participate in the optional Ford House Tour on Friday. If you already sent in your registration and wish to add this event, simply send Steve an e-mail with the number of people that will attend this tour. You may make payment on arrival in Dearborn on January 28. Thanks!
5	9/3/2015	Dearborn Inn Registrations	Rooms are now filling up!	We have increased our room allotment at the Dearborn Inn now to 60 rooms. Dearborn Inn reports that they cannot add too many more rooms at the highly discounted rate. If you do not have your room yet, please make a reservation ASAP. Delayed reservations may require a higher room rate!
6	12/5/2015	Registration closing soon! Rooms are now filled at Dearborn Inn.	Turnout is extremely high! You may call the Comfort Inn in Dearborn for a room. Transportation to/from Dearborn Inn on your own.	Beware - registration requests have been very high. Registration will likely close soon. You are always welcome to attend the Annual Meeting on Saturday night, but torus will likely close in the next week.
7	12/12/2015	Newsletter Posted	Our first newsletter is now posted and has been sent to all registrants.	Lots of great information. Go BACK one screen to locate a link to the newsletter.
8	12/15/2015	Registration is closed	We have filled all available spots for tours.	Registration for tours is now closed. You may register to attend the MTFCI Annual Meeting - \$65 per person for cost of dinner.

Thanks-
